

***Scrap Dance Mystery Two-Step
January 2017 Instructions
From My Carolina Home***

Step One - Cutting

Fabric Scraps	Throw	Twin	Full	Queen	King
4-1/2" Squares	12	24	30	35	42
5" Squares	36	72	90	106	126
5-3/4" Squares	12	24	30	36	42
2-1/2x4-1/2 Strips	24	48	60	68	84
Background					
5" Squares	12	24	30	34	42
5-3/4" Squares	12	24	30	36	42
2-1/2x4-1/2 Strips	24	48	60	68	84

If you want to use yardage for your background (which I do recommend as it makes the scraps sing and the secondary pattern shine) you'll need this much in yardage -

1 yd 1-1/2 yd 2 yd 2-1/2 yd 3-1/4 yd

Additional background fabric and scraps will be needed later in the quilt assembly, but I can't tell you how much until assembly, as it will depend on a decision you make later in the mystery.

Now, let's Two-Step! Match up the 2-1/2 x 4-1/2 strips of scraps and background. Sew two strip units along the long edge. Chain piece for speed.

Posts with the next instructions will post the third Friday of each month.
