

*Scrap Dance Minuet - Step 4  
From My Carolina Home*

This time it is really easy, just take your scrappy bricks (2-1/2" x 4-1/2" rectangles) and sew in pairs with the background bricks. Press to the darker side.

Then, take all your flying geese and sew pairs as well. Press to the bottom goose, the point side. I know it will seem counterintuitive, and a bit difficult, but you'll thank me later.

Have fun!!
