This week we make eight leaf blocks. You’ll need these pieces from your cutting step.

**Autumn Theme Scraps**
- 2-1/2-inch squares – 24
- 3-inch squares – 16
- 1 x 4-1/2-inch strips – 8

**Background (shown in cream)**
- 3-inch squares – 24
- 2-1/2-inch squares – 8

Match 16 of the 3-inch scrappy squares with the same number of 3-inch background squares and make HSTs. See my tutorial on the blog if you need detailed instructions.

Using remaining eight 3-inch background squares, cut in half on the diagonal. Place on either side of the scrappy 1x4-1/2 inch strips right sides together and sew with 1/4-inch seam. Press to the background side, square up to 2-1/2 inches.

Arrange three 2-1/2-inch scrappy squares with HST units, stem unit and one background 2-1/2-inch square as shown. Sew in rows. Repeat for a total of 8 leaf blocks.
