

Scrap Dance Quadrille

A Scrap Dance Mystery

From My Carolina Home

January Cutting

Grab your stash bins and dig out a wide variety of scraps for cutting.

Cut the following squares and rectangles for your chosen size.

Fabric \ Size	Table Topper	Lap Quilt	Twin Size	Full Size	Queen Size	King Size
Scrappy 4- inch squares	44	100	120	150	210	280
Background 4-inch squares	44	100	120	150	210	280
Background 3-1/2-inch squares	16	40	48	60	84	112
Background 3-1/2 x 6-1/2-inch rectangles	20	40	48	60	84	112

The wider variety of scrappy prints, the better it will look. I recommend at least a dozen different prints, and the more the better. This is not a busy design, and would be great in two colors like blue and white, or red and cream. There is a great deal of background, and the design did best with white or cream.
