A Scrap Dance Mystery

From My Carolina Home

May Unit C and Block A

This month we make a unit and you see the first block.

Pull the following number of background squares from your cutting step, and half square triangles from your completed HST step.

Construct this pinwheel unit. See the post for details on construction. It will not matter if your pinwheels spin the other way, just be sure they all are the same.

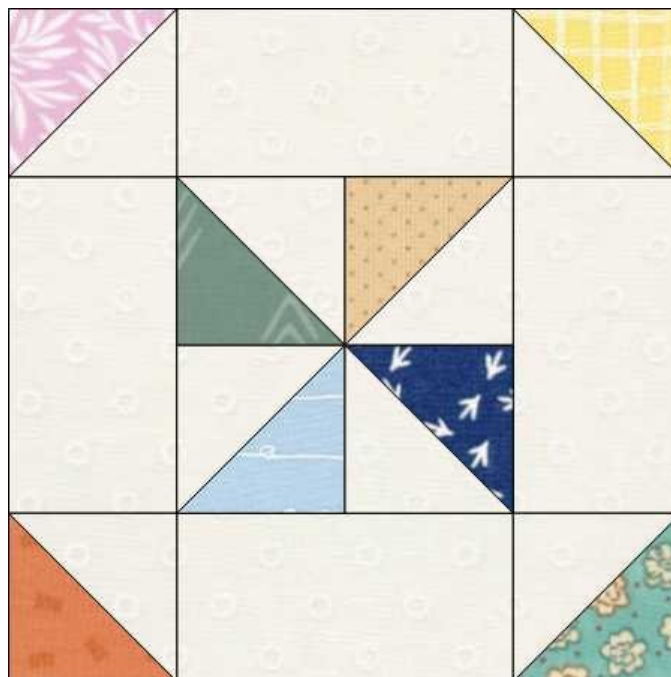

Spin the seams as shown in the post.

Components needed	Table Topper	Lap Quilt	Twin Size	Full Size	Queen Size	King Size
Background 3-1/2 x 6-1/2 inch rectangles	10	20	24	30	42	56
Half Square Triangle Units	20	40	48	60	84	112

Caution - Do not use more than this step calls for in the charts. We need a lot of HSTs for next month.

Now we are going to use those pinwheel units to construct the first block. On to page 2!!

Using your pinwheel blocks and the units you made in March, assemble this block. Be sure your scrappy HSTs point outward on the corners.

Here is your chart for the number to make for your chosen size.

Block A	Table Topper	Lap Quilt	Twin Size	Full Size	Queen Size	King Size
Number of Blocks	5	10	12	15	24	28

Have fun!!
